

## Amion Account Set-Up

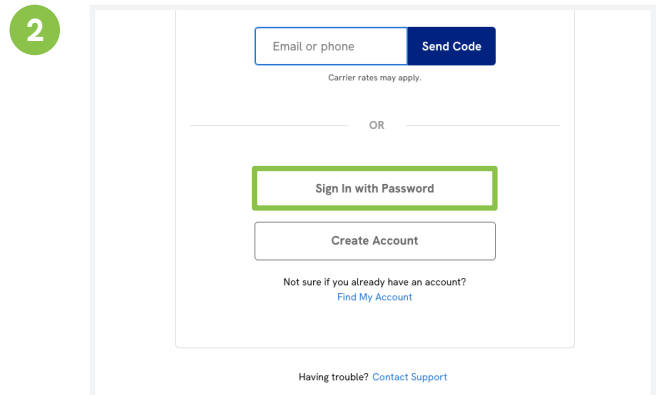

### Setting-Up & Getting Started

Individual Amion accounts allow you to sync information between the mobile app and the website, access your schedule faster on personal devices and help to keep contact, location, and schedule data secure for you and your colleagues.

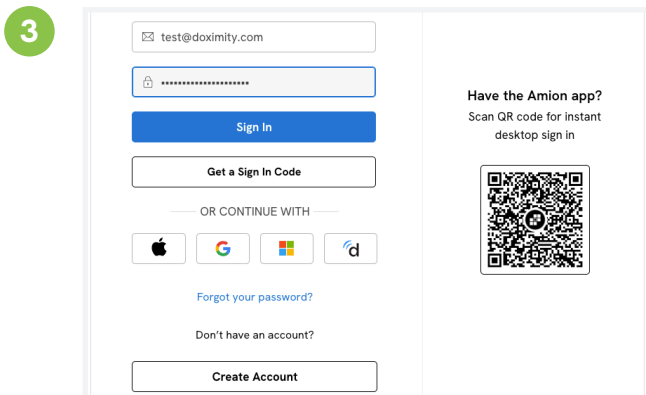

#### I Have an Existing Account

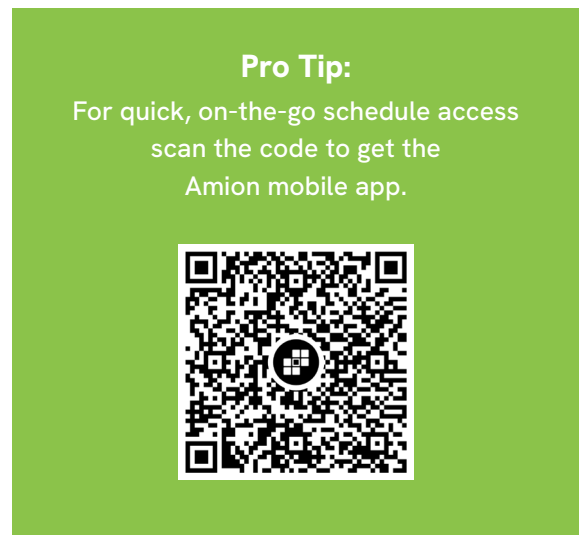

1 Visit [amion.doximity.com](https://www.amion.doximity.com) on your computer, type in your Amion access code, and click 'Login'.

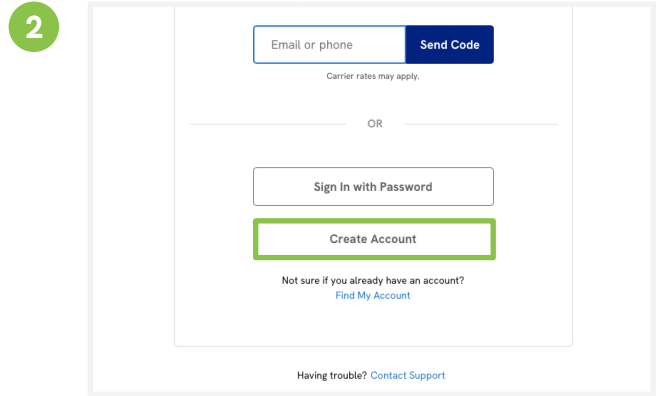

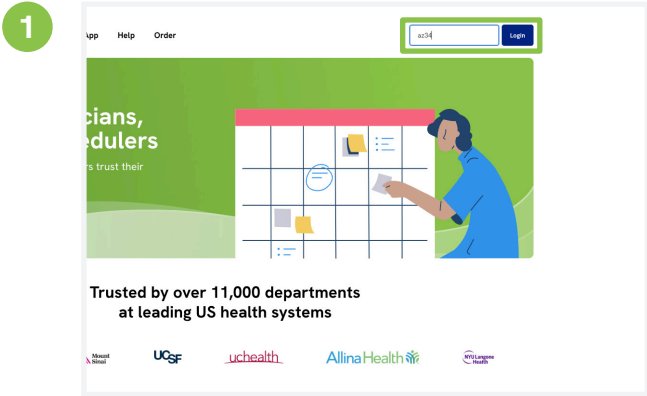

2 Click 'Sign in with Password'.

3 Enter the email and password you use to log in to your Amion account. That's it!

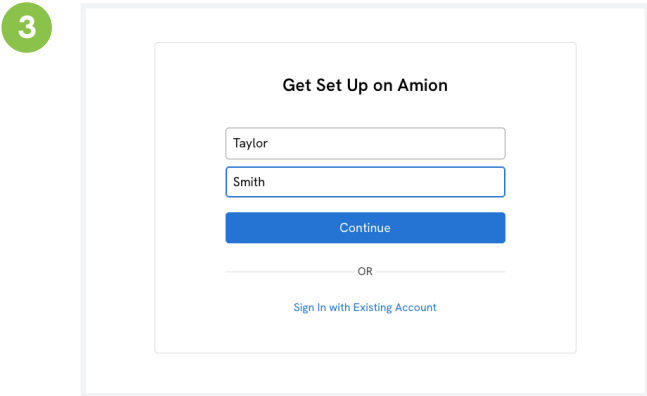

# I Do Not Have an Existing Account

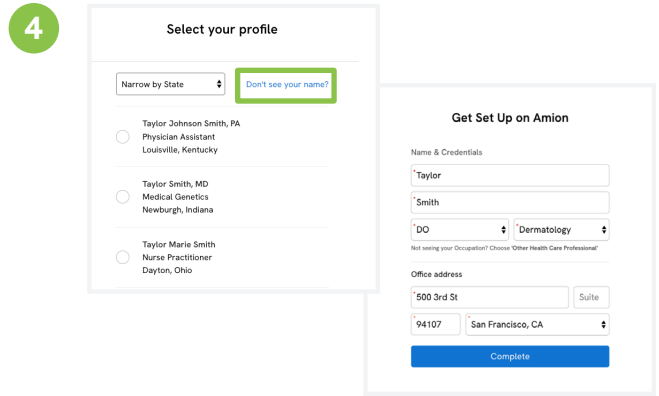

Visit [amion.doximity.com](https://amion.doximity.com) on your computer, type in your Amion access code, and click 'Login'.

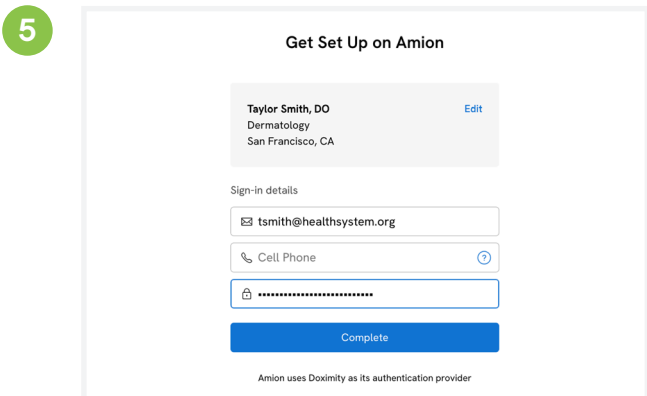

Click 'Create Account'.

Enter your first and last name then click 'Continue'.

If you see your name and profile info click on it. If you don't, click the 'Don't see your name?' link, enter the requested information, and click 'Complete'.

Enter your email, phone number, set a password, and click 'Complete'. That's it!
